

PIUSI SPARE PART PUMP VANES AND SPRINGS SET OF 5 R11276000

R11276000

Genuine replacement vane and spring set for Piusi Panther pumps. Fits Panther 56, Panther 72, Panther DC 12V, and BI-PUMP models (BI-PUMP needs two sets).

FEATURES

- Genuine Piusi OEM replacement part
- Pack of 5 vanes and 5 springs
- Fits Panther 56, Panther 72, Panther DC 12V
- BI-PUMP models need 2 sets
- Factory-matched tolerances
- Wear part for scheduled pump servicing

BENEFITS

- Maintains original pump flow and pressure
- No sourcing generic parts that might not fit
- Keep a spare set on-site, swap when needed
- Cheaper than replacing the whole pump when vanes wear

TECHNICAL SPECIFICATIONS

Voltage

12V

USE CASE & APPLICATION

- Scheduled Panther pump servicing
- Field maintenance for mobile diesel units
- Workshop spare parts inventory
- Pump rebuild after extended use
